The estimate has been scrutinised in this office as per original plans and the information furnished. It is not known if the rates provided in the estimate are as per those of the accepted tender. The estimate may be sanctioned subject to the above point being verified.

The site plan, calculation sheets for girders etc., results of trial pits and sections showing the nature of subsoils met with should have been furnished along with the estimate. It is hope that these details would be forthcoming before - foundations are actually laid.

It would be necessary to taper the cut-stone columns and enlarged drawings should be prepared and approved before-hand.

CHIEF SECRETARY 16 APR 1934

Sir,

With reference to your letter No.7313/Ml.214-33-3 dated 12th April 1934 requesting to furnish information as to the items under which savings can be expected to the extent of - Rs.75,000/- in the current year to be utilised for the construction of the New Municipal Offices, I have the honour to invite your kind reference to Government Order No.L.2777-8/Ml.64-32-5 dated 18th October1932 approving the proposal of the Municipal Council to spend a sum of Rs.75,000/- for tarring roads, out of the - balance at their credit, subject to adjustment out of the loan to be raised for tarring and other purposes. Accordingly a sum of Rs.79,000/- was spent on tarring during the year 1932-33 out of the general balance at the credit of the Municipality. Government sanctioned a loan of 9 lakhs including 2 lakhs for tarring, in their order No.L.14-15/Ml.252-32-5 dated 10th June 1933.

Rs.79,000/- spent out of the balance on hand during - 1932-33 will now be taken back out of the loan of two lakhs for tarring and will be utilised for the construction of the Municipal Offices.

Due provision will also be made in the revised budget now pending before the Council for funds required during the current financial year for the New Municipal Offices.

I therefore request that sanction of Government may kindly
